

Event Policy

1. Event Registration

Participants must complete the required registration process before attending an event. Registration is subject to event capacity and availability.

2. Event Capacity

Each event has a defined participant capacity. Once the capacity is reached, additional registrations may not be accepted.

3. Event Cancellation

An event may be cancelled or rescheduled when required by the organizer. Participants should check event information and notifications for updates.

4. Venue

Participants must follow the rules and instructions applicable to the assigned venue. Venue capacity and availability must be considered when organizing an event.

5. Attendance

Registered participants are expected to attend the event at the scheduled date, time, and venue. Participants should follow instructions provided by the event organizer.

6. General Policy

Event-related information, including event details, venue information, registration status, and applicable policies, should be checked before participating.
