

Frequently Asked Questions (FAQ)

1. How do I register for an event?

Log in to the Smart Event Management System, select an event that is open for registration, and submit the required registration information.

2. Can I register for an event after it reaches full capacity?

No. When an event reaches its maximum participant capacity, new registrations may not be accepted.

3. Can I register more than once for the same event?

No. Duplicate registrations for the same event should be prevented by the system.

4. Can I cancel my event registration?

Yes. Participants can cancel their registration up to 24 hours before the event. Requests submitted less than 24 hours before the event may not be accepted.

5. How can I check my registration status?

After registering or submitting a cancellation request, participants should check their registration status in the system.

6. How do I know where an event will be held?

The event details should provide the assigned venue information, including the venue name and location.

7. What happens if an event is cancelled or rescheduled?

Participants should check event notifications and updated event information for changes made by the organizer.

8. What should I do if I cannot attend an event?

If you cannot attend, review the cancellation policy and cancel your registration when permitted.
